

PTO Membership and Volunteer Form

Welcome to Darby for our new families – and welcome back to all of our current Darby families and students! Darby PTO will be continuing the great tradition of working *with* our school, teachers, parents, and students to help make the high school experience even better for everyone.

Every parent and teacher at Darby is welcome and encouraged to participate in PTO and school activities, and we hope that you will do just that this coming school year. Because our primary way to raise funds for the PTO is through a membership-drive, we hope you will consider officially joining at a level that is right for you!

Please fill out this form, and return it to the school with your volunteer interests. If you can support this membership drive, simply attach a check or cash in the amount you choose. Send this in anytime, or simply bring it with you during Darby Days.

Thanks so much, and we're looking forward to a great year! ~ GO Panthers ~
